RE REFERENCE FOR TERRY SAMPSON PAINTING SERVICES

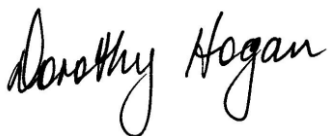

I write to supply a reference for Terry Sampson Painting Services whom I would highly recommend for their professionalism, quality of work and prompt and friendly service.

I have a large western red cedar home on a difficult block. The Terry Sampson Painting Services painted the exterior of my home in November 2014 and then a section of the interior in April 2015.

I found the quotes to be very reasonable and Terry was accommodating in his advice and support. All work was done to an excellent standard and in a timely and efficient manner. Terry takes pride in the work done by his team and I found them to be reliable and thorough. The worksite was clean and consideration given to my tenant throughout the process.

I have no hesitation in highly recommending the Terry Sampson Painting Services team.

Please contact me if you require any further details.
